This is the ultimate dance album...music for people who love to dance. All original songs that blend every style of music into something totally new...This is Cherylyn. 10 MP3 Songs ELECTRONIC: Dance, ELECTRONIC: House Details: Music is something that came from inside me since the moment I was born. Music is my dance and I love to enchant her...To dance with her is what makes me feel alive. I am the oldest of 5 siblings who are each very creative and unique people. They write and compose music. My parents also were song writers and singers from a young age. My Mother "Jo" was signed to Capitol Records in the 50's. My father was the leader of a band. My success has come to me with the help of my youngest brother Paul (SIRPAUL). We have written music together since we were very young. I am excited about the release of my first full length CD "Cherylyn". I have put out singles/vinyl in the past. My music has been played all over the world thanks to DJ's and distribution. I have been played "on the radio" which has been exciting over the last few years. Co-owner of Controversial Records; along with my partners SIRPAUL and Andreas Anastasis. This new CD is an introduction to the fun loving sexy side of Cherylyn. There are so many things I want to share with everyone. I just love feeling sexy and shaking my thing. So, I hope you enjoy it and do the same. Here is one of my favorite poems: The Boat I travel in is called surrender. My two oars are forgiveness and gratitude - complete gratitude for the gift of life. I am thankful for the experience of this life, for the opportunity to dance. I get angry, I get mad, but as soon as I remind myself to put my oars in the water, I forgive. I serve. I do the dance I must. I plant trees, but I am not the doer of this work. I am the facilitator, the instrument - I am part of the symphony. I know there is an overall scheme to this symphony that I cannot understand. In some ways, we are each playing our own part. It is not for me to judge or criticize the life or work of another. All I know is that this is my dance. and I would plant trees today even if I knew for certain that the world would end tomorrow...by Blbir Matur
