Details: Helen Hell was founded 2006 by Helena Salowsky and Jrg Raphael aka Syskill. It's a weird story: After the split of our former band in 1998 we lost sight of each other for more than seven years. But suddenly we started to receive sounds and visions in our dreams, which were sent by a hazy person, called herself Helen Hell. forcing us to contact each other. This was a very frightening and confusing experience. The only way to get abatement of the pain and the fear caused by the visions was to convert them into new songs. it wasnt our idea. we were forced to.
