Details: Jeds Dead is a Los Angeles based band that creates a dark blend of country rock and alternative roots music that they call Folk-Noir. The band has gradually expanded its sound outside the confines of alt-country, while still honoring the Americana tradition. Jed's Dead crafts songs that range from twangy, blues rockers to brooding, acoustic ballads with a touch of black humor. The Jeds Dead debut album, Youve Already Won, Babydoll was produced by Grammy Award winning producer Thomas Skarupa. The first single from the album, A Girl from Texas was mixed by multi-platinum producer Val Garay.
