Fun, melodic worship with an edge. 12 MP3 Songs POP: Power Pop, ROCK: Modern Rock Details: Jeff Foote is a multi-instrumentalist and songwriter who has been working as a professional musician and pastor for over 10 years. In addition to recording and touring with other artists, he has written songs that have been sung in churches worldwide. "Supernatural" is a CD of both congregational worship songs and other original music that draws a wide range of influences like The Beatles, Elvis, CCR, Radiohead, Ben Folds, The Jayhawks, U2, Stevie Ray Vaughan, and even Lionel Richie. While Jeff plays most of the instruments, he has enlisted some of his talented friends to sit in on electric guitar and banjo. He also shared vocal duties with two amazing singers, Kristen Rogers and Abby Foote. Jeff and his family are currently involved in starting a new church in the Denver area, Harvest Community Church. All proceeds of this album will go to support Harvest.
