Jill Gioia's "He's My Bitch" is a mainstream brand of rock that weaves crunchy guitars and propulsive choruses into provocative songs with sharp teeth and a sneer, which she sells with a confessional, soaring voice that ranges from celestial to guttural. 8 MP3 Songs POP: Power Pop, ROCK: Modern Rock Details: Award winner Jill Gioia (Joy-a) has worked pro situations, including back-up vocals for Third Eye Blind. In fact, her mainstream brand of rock weaves that band's style of crunchy guitars and propulsive choruses into songs which she sells with a powerful voice. "[He's My Bitch] The high-energy song that sounds like Pat Benatar-meets-Green Day is catching on around the country, even though Gioia doesn't have a record deal. Of course, that should change soon enough". Newsday "Gioia has a guttural belting style, reminiscent of Melissa Etheridge and Alanis Morissette, that serves her material of confessional, guitar-driven pop, extremely well." Billboard "If "He's My Bitch", the catchy, high-octane single, is any indication, Jill Gioia will soon be taking the world by storm. The guitar-fueled song propels Gioia's voice from confessional depths to a soaring roar." RockrGrl "Jill Gioia is the package: pop good looks, toe-tapping tunes, take notice lyrics and an angelic voice that ranges from celestial to guttural and sometimes, impossibly both. Stylistically, she's in quite famous company...visual lyrics, very catchy and definitely chart material." Goodtimes "Jill Gioia is a passionate, petite ball of fire with a kick-ass style. One of these days her name and likeness will be plastered everywhere...." Goodtimes
