Contemporary folk that covers a lot of ground - from Texas Roadhouse songs, to songs a Reggae feel to Rock to Bluegrass. 13 MP3 Songs ROCK: Folk Rock, FOLK: Modern Folk Details: Texas Singer Songwriter Jim Nosler shares a new collection of songs entitled "Two Sides Of The Coin", released in 2003 on his White Rim Mountain Records label. The thirteen original compositions reflect a range of influences from reggae to classic rock to the inspired "high lonesome" sound in two of the tracks co-written by lifelong friend Lee Lindsey from Lubbock. Each track has been arranged and mixed to suit the song. Produced with the help of veteran producer Merel Bregante at Merel's "Cribworks" in Austin, this CD has something for everyone and will provide enduring listening pleasure.
