Details: Kerri's sophomore project is an affecting collection of song stories documenting a relationship under duress and a story that is not over. There is an ache to these songs and this recording that is honest and lovely reflecting the reality of the broken human condition lived consciously in the presence of God. Kerri's unassuming, rootsy style both as a vocalist and songwriter is wonderfully captured by producer Jordan Jackiew and imaginatively supported by multi-instrumentalist and long time friend Brian James. We're very pleased to be a part of Kerri's burgeoning career and contribution.
