Powerful range, but the low warm tones just suck you in. 10 MP3 Songs COUNTRY: Country Pop, COUNTRY: Modern Country Details: KRISTY LEE Kristy Lee is not your typical 21-year old. Until Kristy moved to Texas several years ago to pursue her music career, she was living in a log-cabin style home, surrounded by pine trees, in Selma, Oregon, and riding her horse, Midnight, almost every day. Putting Midnight, an Arabian, through her paces usually meant jumping, racing, and swimming in the river...most of which Kristy did bareback. David MacKechnie, a songwriter from Cave Junction, Oregon, heard Kristy sing and suggested that she send her material to Marty Rendleman in Dallas, Texas. It seems that Marty discovered and managed LeAnn Rimes for the first three years of her career. Kristy was 15 years old when the family flew Marty in to see Kristy perform at a local fair, but she immediately recognized the talent and agreed to sign her. Marty had met Joe Galante, Chairman, RCA Label Group, while she was managing LeAnn, so it seemed only natural for Marty to introduce him to her latest country prodigy. Kristy was signed by RCA and put on their Arista label. A promotion deal with Britney Spears was put in place, and it seemed that 'stardom' was imminent. Kristy was 17 when the label put some of their young acts, including Kristy, on hold and then dropped them. Not about to give up her dreams, Kristy moved to Dallas to pursue her career and gain the experience offered by the many venues in the area. She has headlined at Cowboys, Arlington, Texas, for the past year...and the experience shows! Kristy is signed with the Kim Dawson Agency for modeling and commercials, she has just released her first CD entitled, "Devoted", and has secured the lead in a movie to be shot in the Fall of 2005, in Cloudcroft, NM. This is a talented young lady with a very bright future. Kristy's music idols are Martina, Faith and Shania (do we really need last names). She also loves the music of Garth Brooks and Gary Allen. Kristy has her own unique sound and style, which will be easily recognizable. At 5'8", Kristy Lee looks like a blonde, blue-eyed Brook
