

# Mp3 Law - The Southside Of Nowhere

[DOWNLOAD HERE](#)

Street samples of hardtimes mixed with the real struggle of life and dreams; A Lil Jon meets Ice Cube style of flow one notch from "headbussin". 16 MP3 Songs HIP HOP/RAP: Southern Style, HIP HOP/RAP: Rap Details: More fire power than an M1 Abrams, is the debut release of Lockdown Entertainment Inc's CEO, ?LAW.? This long awaited album - The Southside Of Nowhere - is sure to be the next buzz on the streets of Jackson and nationwide. LAW already has a buzz going on such songs as "Give Me Mine Jump Off The Roof" on Download.com. The Southside of Nowhere album is laced with fellow Lockdown Ent. Inc. artists like The Frontline Soldiers, Qt, and Mystro. LAW drops some of the freshest lyrics this side of Atlanta, and is one of the best. Born in Natchez Mississippi, LAW grew up in the small southern town that goes by the name of Crosby. Situated near the Louisiana stateline. LAW is currently the CEO of Lockdown Ent. Inc. based out of Jackson Mississippi. With two albums from his label currently for sale, one in the local Bebop Record shops and online at CD Baby.com, this artist is a workaholic recently reporting Indie sales as far away as Japan through CD Baby. In the works and in the vault this artist also has R&B tunes the he has penned with local talent harmonizing the lyrics. Talented in all aspects of the music industry he is well on his way to becoming one of the greatest artist of his time.
