

Mp3 Lopside - Junedecember

[DOWNLOAD HERE](#)

Progressive, instrumental rock backdrops meet soothing experimental electronica in an album that feeds you like rain after a dry spell. 15 MP3 Songs ELECTRONIC: Ambient, ROCK: Instrumental Rock Details: Proclaiming the world to be mostly organized chaos, lopside's founding members Tom and Dean have given up trying to make sense of things. Instead, they've committed to spending as much of their time as possible doing the things they love. Through sound and picture (admittedly in no particular order and of no particular consequence) the members of lopside have chronicled the last year of their lives with the progressive ambient sounds contained in the current releases decemberjune and junedecember. "This way, when we are 65 and forgetful, and in the last years of our day jobs turned careers, we can remember what fun it was to be alive."
