Universally Positive Roots Rock Reggae 9 MP3 Songs WORLD: Reggae, GOSPEL: Contemporary Gospel Details: "Blessed blessed creation..." Homegrown from the forest and ocean areas of Santa Cruz, CA comes a band ripe and ready to share their blessings. The band Love Eternal manifests the ethereal while floating roots-reggae past your head. What is that resonating soft warm jasmine breeze swirling through your dreads? It may just be the melodic vibrations of Love Eternal and their transcendent album "Family." The melodies and vocals on the first track "Love Jah" invokes Irie melting effects on your being. Each song on their CD is like a Jamaican lullaby tapping into your spirit, elevating your soul toward unlimited Godly potential. "Made for the great outdoors and to be played so the clouds can hear it" Love Eternal with psychedelic guitars in tow and lovely breathy vocals, is a unique band singing out unified spirit. With music as their guiding tool, they spread more love around than hate exists on the Earth. Their reggae style is earthy and organic. Sometimes it makes you want to sit back and reflect and other times get up and jump in euphoria. Their album's bouncy reggae style is a sunny day pleasure. Made for the great outdoors and to be played so the clouds can hear it, "Family" offers Caribbean styles mixed with traditional festival originals from the Islands. Teaching the word of Truth, Love Eternal is a harmonic, mellow, groovy group of singers and musicians, that can make a night under the stars magical. Written by Yasa Henson The Muse Matrix Magazine
