

MP3 Macarldie - Moving On

[DOWNLOAD HERE](#)

Caribbean and R&B blended with Jazz blues producing a coherent positive fun sound. Lovely vocals blend with instrumental improvisations. 14 MP3 Songs URBAN/R&B: R&B Pop Crossover, JAZZ: Contemporary Jazz Details: As a child in the Tortola "British Virgin Islands", Macarldie performed religious music with his father and sisters. His teenage years found him in nightclubs and hotels performing the island standards and top 40 hits of the Caribbean and America. After moving to the States, he studied Jazz piano and vocals at several universities and began performing all over The U.S.A. and Caribbean "He has transformed the souls of the islands into a universal vibe of happiness through music".
