

Mp3 Mephisto Walz - Insidious

[DOWNLOAD HERE](#)

Classic goth rock from this seminal band of the genre. 10 MP3 Songs ROCK: Goth, ROCK: Punk Details: Following the successful "Nightingale" single series, the long awaited new full length album from Mephisto Walz has arrived! Fans of classic goth rock will not be dissapointed by this veteran band's latest undertaking. An adroit, hot, and aggressive melange of memorable songs that hook the listener into a world of melancholic ethereal guitars, voices, and rhythms. A bold release from one of the few remaining classic gothic-ethereal-punk rock bands. This collection will inspire nostalgia while touching the heart of fans who desire a more emotive and passionate quality to their music. This domestic edition comes presented in a luxurious digipak format with a different cover design than the European version published by Dark Dimensions. Featuring beautiful cover photography by Elisa Lazo.
