Modern acoustic folk. A collection of moving songs about friendship, love, and loneliness. Soaring vocals and harmonies. 10 MP3 Songs FOLK: Modern Folk, POP: Folkly Pop Details: From Sing Out! "Peggy Watson sneaks up on you. This gentle sophomore effort softly seduces the listener. The miserly 10 original songs leave you wanting more Watson sings in a pleasing voice that wraps itself around each note with just the right amount of fullness and vibrato. Tasteful accompaniment from Watson's own guitar and from bass and percussion leave her voice in the clear. The images draw strongly on pure, real slice-of-life..."
