Acoustic/Folk songs of hope, healing and moving beyond life's painful moments. 10 MP3 Songs FOLK: Modern Folk, ROCK: Acoustic Details: Songs Of Hope And Healing This ten song collection takes you through a year and a half of my life and is a testimony to Gods love. The journey starts on (1) No More Anger) my second day out of detox, I was on my way somewhere, I didnt have a clue as to where I was going. (2) Rock Bottom) I fell as far as I needed to but even being as low as I was I felt a peacefulness in my heart that I had never felt before...I kept hearing the words "everything will be alright". (3) Time Will Heal) Yeah, there was a divorce. (4) Let It Rain) Very excited to be starting a new life. (5) Through Everything) Realizing that God had been there the whole time. (6) Thank You) This song started out as "Bless You" and quickly changed to "Thank You" It sounds very sarcastic but that's not at all how I meant it. Really! (7) Ill Take A Chance) Falling in love again. (8) Hero In My Eyes) Working through some childhood issues with some of my sister's and future wife's issues thrown in to boot. (9) Forty Long Years) Obviously reading Exodus and I was turning 40 that year and feeling like I had wondered a good part of my life away. (10) It Only Took One Day) It took me a year to write this one. It was written in three parts, the first two verses and chorus about myself, second verse and chorus about 911 and the third verse about my wife Donna.
