Modern Soul/Smooth Jazz. 12 MP3 Songs URBAN/R&B: Rhythm Blues Details: Press Release: Anthony J. Tony Spencer, a native Annapolitan, released his most compelling CD Its Time on December 6, 2006 at the Metropolitan, 169 West Street, Annapolis, Maryland. This collection of classic R&B and jazz favorites includes memorable songs of Marvin Gaye, Stevie Wonder, Al Jarreau, Dinah Washington, Lou Rawls and many others. Spencers robust yet charming style is intricately highlighted with a perfected sampling of all the energies of a professional vocal talent. Its Time is Tonys most current offering to the world of music/entertainment and will captivate all cultures and listening audiences. I wanted to feature some of my favorite songs by artists that I truly idolized, said Spencer. The thought behind Its Time mirrors the journey that I will take to renew my singing career, he added. As you will read below, the artist is also an accomplished actor, poet, model composer and the founder of Enrapture Records. The release of Its Time is just the beginning of a new and exciting future for Tony Spencer. For event information contact (410) 267-9012 or vgist49@aol.com. Anthony J.
