Details: Tyran is one of Australian Musical theatre's most charismatic and popular leading men. He has played roles professionally in The Sound of Music, Mack and Mabel Anything Goes, Funny Girl, South Pacific, Oliver, Sunset Blvd, Rosie, Into the Woods, Evita, Listen to My Heart, Eurobeat- both the Australian and Korean Tours, A Midsummer Nights Dream , The Hatpin, Angels in America and two separate productions of Stephen Sondheims Putting it Together. Tyran is best known for his award winning portrayal of the title role in Sunday in the Park with George. In cabaret, Tyran has performed in various shows all over the world. Tyran's Cd has recieved great acclaim worldwide- "Tyran Parkes Sunday in the Parke is a superb collection of contemporary songs, mainly from music theatre, but not exclusively, which is destined be become a must have addition to the record library of any music theatre buff." DRESS CIRCLE RADIO "This may very well be one of the albums that will establish Australia as an important nation in the world of musical theatre. Whatever its wider future role, it demonstrates Tyran Parke as a performer of both literally and figuratively border-crossing significance and level".OPERA SWEDEN "Parke's CD is a superb mix of well-known songs, hidden classics and fresh, vibrant material. It is full of songs with meaning and heart, and Parke's debut is very much a winner".AUSSIE THEATE.COM "Parke, A young cabaret/theatre performer knows how to interpret a lyric with honesty and heart, and will win a whole new legion of fans with this splendid album of contemporary theatre songs".- Peter Pinne, Stage Whispers magazine "Tyran Parkes ability to be truly present and tell the truth leaves his audience

changed, uplifted, open. And it does in spades, on this CD...Make this CD your best friend on your iPod right now"! Broadway at Bedtime RADIO "GOLDEN voiced Tyran Parke is one of a small handful of exceptional talents around at the moment...Altogether, it's a bold and unusual collection that tells you a lot about the singer and his ambitions. ".STAGENOISE.COM "It is a joy it is listen to an album where the musical arrangements and vocalist actually complement each other. Not merely relying on his rich vocal quality alone, Parke has assembled a talented team around him that help make his musical ability truly shine...Sunday In The Parke has a lot to offer a much broader audience than just music theatre lovers".
