Details: UNDAWORLD Entertainment Born and raised in Pittsburg, PA, the hard hitting lyrical hip hop group known as UndaWorld is comprised of twin brothers, Dain and Dion Williams, aka Malice and Linc. The twins began their careers at the age of thirteen with multiple performances in local talent shows and concerts. The title UndaWorld represents another genre of hip hop music, the un-spoken side of the new millennium...ghetto funk music. In 1997, coupled with the desire to become more serious Hip Hop artists and to make themselves more visible, the group traveled to Atlanta, Ga, and began independently booking and performing at local night clubs and talent shows. Shortly after their arrival in Atlanta, the group met a well-known local entertainment manager, Mr. Leon Minor, who took an interest in the group and envisioned their potential as distinguished entertainment artists. Over the years, Mr. Minor has continually mentored and guided them in the music industry. Many studio opportunities and recording have been made possible with his guidance, thereby giving the twins more exposure to other local artists and the entertainment business. We are truly appreciative of the trust, dedication and exposure Mr. Minor has given us. With the desire to continually perform and expose themselves in dual cities, the twins returned to Pittsburgh in 1998. A third member was then added to the group, their cousin Amexen Bey, aka Phatt Maxx. This was the needed catalyst to promote the group to a different level of hip hop music. Phatt Maxx gives the group the needed chemistry of a smooth, sultry vocalist, which adds a unique sound to UndaWorld. Desiring to partake in multiple entities of the music and entertainment industry, the group created an independent label called UndaWorld Entertainment. The group writes and produces most of the material for their projects. The goals of Undaworld are to establish and refine themselves as a well

known top quality, professional Hip-Hop group. The goals of UndaWorld Entertainment are to write lyrics for other artists and to create/promote new artists. They also dream of introducing and promoting their own design label of UndaWorld clothing and to venture into the world of acting. Southwestern Pennsylvanians Finest released their first independent album in the year 2006 UNDAWORLD DA ALBUM. The 19-track album consists of the following independently written songs: Follow da leader, Gangsta,Gangsta, Experss Yourself, Streetz iz da heavens, Where the hood at , Lil Secrets and Hold up. UndaWorld, a well known hip hop group in the City of Pittsburgh, is ready to explode and take the entertainment industry by storm.
