ELECTRONIC: Dance, ELECTRONIC: Trance Details: Young Fire is a eurodance / vocal trance project. Young Fire is a duo of Dance music. Born in Portugal (Azores) living in the United States for many, many years, Young Fire started at a very young age as 11 year old kids. Ricardo (left) is the singer who brings a voice that captivates your ears, your mind, and your soul with such a soothing voice and also at times with such strength. Evaldo (right) is the keyboardist who sings through his fingers with a style that is felt with energy, emotion, and romance. Young Fire grew up listening to greats such as Abba, Modern Talking, Bad Boys Blue, Ken Laszlo, Lime, Fancy, Den Harrow, and many others! Young Fire also writes, arranges, performs their music and also produces present / upcoming artists, and bands too which they also have their own production / studio called, "R.E. mix Productions". Young Fire also performs different genres of music live for different venues. Their new cd, "Burning Thru" takes you through a variety of styles which include Eurodance, dance, club, vocal trance, and much much more! Their 12 track cd also includes their first single, Here we go again, a ballad called "Oneday, Someday", a Europop song called "For so long" and (plus 2 bonus tracks). COME FEEL THE HEAT!
