Youve definitely heard of the popularized maxim, The Money is in the List. But did you know that one of the most effective methods in list building you should master your skills on is creating your own Landing Page? A Landing Page, also known as Name Squeeze page or Lead Capture page in other circles of Internet Marketing, is one simple page that does absolutely NOTHING else but convert your visitors into subscribers of your mailing list. If you can achieve a 30-40 conversion rate then youre doing pretty good. Anything more than that is excellent but anything less than that... it needs fixing! If the practice of Landing Pages still appeals to you as a totally new concept, then this book is a must read. Landing Page Success Guide shows you how to create your very own Landing Page and design the system behind it so you can just set it and forget it while it collects leads like clockwork and build your list without having to involve you in the process!
