Single at 32, married at 33, and widowed at 34. Virginia Lloyd finally meets the man she wants to spend the rest of her life with, only to discover he is dying from cancer. After John dies, Virginia must battle the chronic rising damp in the house they had shared. And so in her first year as a young widow, Virginia, like the house, must dry from the inside out. The Young Widow's Book of Home Improvement is a wry and touching love story that plays with the parallels between our homes and ourselves.
