Deep Roots Reggae with highly Conscious cutting edge witty lyrics. This music is a Rasta Reggae Revolution pregnant with the Divine Feminine. 5 MP3 Songs WORLD: Reggae, HIP HOP/RAP: Spiritual Rap Details: Jamaican born artist, Abba Yahudah, is the freshest new sound in the world of reggae music. His lyrical wisdom melodically penetrates the minds of listeners offering them a new faculty of interpretation. If you thought you new the depth of reggae music, you have to experience the journey with Abba Yahudah. The music pulls you in with deep riding bass lines and unique rhythmic percussions. It is brilliantly detailed and comes across with a rich full sound. You can listen again and again and hear something new every time. Abba Yahudah entitled the album M.I.L.K. because he knows how important in life the first food is, in the flesh and in the spirit. M.I.L.K. (Mothers Illuminating Love and Kindness) nurtures the essence of the Divine Feminine as it calls to our attention the need to be in balance, for without it the patriarchal domination that has been breaking down our families and communities will continue to interfere with Mother Divines works. This album is a call out to all Rasta and Indigenous peoples to know ourselves, know why we do the things we do, and to celebrate and honor to truth of who we are. There is something in this music for everyone, from the smallest to the eldest. You deserve to know it for yourself. M.I.L.K. is a taste of the more to come, From the W.O.M.B. will be released in early 2007. Thank you for your support One Love
