This album is filled with songs about life after loss and is a beautiful collection of music to help those who are hurting remember how those we loved have lived. Alan Pedersen has been performing for more than 25 years. An accomplished singer and award winning songwriter, he spent several years writing and recording music in Nashville, Tennessee. Alan has had several songs recorded by other artists. His writing has not been limited to music, he has written commercials, radio news copy, and collaborations for television shows and other comedy projects. His performing credits are numerous as well. Alan has worked as an actor, stand-up comedian, keynote speaker/emcee, and in radio as a network news and sports reporter for Westwood One Communications. Currently living in Englewood, Colorado, Alan is the father of four boys and an angel. In August of 2001 Alans life took a tragic turn, his 18-year-old and only daughter Ashley was killed in an automobile accident. This tragedy would take his life in a direction he never imagined. Struggling for months to find answers and trying to cope with tremendous pain and anger, he entered a grief program in Denver, Colorado and began attending monthly meetings of a support organization (The Compassionate Friends.) Alan credits these organizations with saving his life and inspiring him to honor his daughters life by helping others. In July of 2003, Alan released a CD of songs he had written about his walk through the valley of grief, titled "Ashleys Songbook." In 2006, he released a follow up CD titled "A Little Farther Down The Road." Alan now helps others by sharing his story of faith and hope. His message is simple; grief and loss offer the opportunity for ordinary people to accomplish extraordinary things. He believes that healing begins when we once again give of ourselves by helping others. Alan tours nationally and has played and spoken for hundreds of organizations

throughout the United States and Canada. He has appeared at National Conferences for The Compassionate Friends, Bereaved Parents of the USA, and the World Gathering on Bereavement. Alan will play his music and share his hope filled story 120 times in 2008 for organizations dedicated to helping families grieving the loss of a child.
