1983 Album produced and arranged by Mic Murphy and David Franks (The System) 9 MP3 Songs in this album (49:56) ! Related styles: URBAN/R&B: Soul, URBAN/R&B: Funk People who are interested in The System should consider this download. Details: A wicked bit of 80s groove from this cool little combo -- a trio that features lead vocals from Cindy Mizelle and Stephen Miller, plus supporting vocals and keyboards from Khris Kellow! The groove here is nice and lean -- lots of bass and keys riffing out in a snapping, funky 80s groove sort of mode -- with vocals that are spare and simple enough to fit right in with the highly rhythmic grooves. There's almost a P-Funk influence at points, but one that's much more stripped-down than George Clinton's at the time -- and titles include "Love Me Tonight", "I Wanna Get To Know You Better", "We Got The Juice", "We're Going Off", and "If You Could Read My Mind". CD features 2 bonus tracks -- "We Got The Juice (dub)" and "Pump The Nation (extended)".
