

Mp3 Bangalee - Tales Told

[DOWNLOAD HERE](#)

Exotic electronic music infused with organic world instruments and traces of futuristic nu-metal 10 MP3 Songs ELECTRONIC: Experimental, ROCK: Instrumental Rock Details: Bangalee is an electronic/organic artist who sought to tell a mythological story through mixed medias. He is very crazy and quite detached; however this music which sounds somewhere in between a lullaby and nine inch nails (at subtle moments) tells a complex fabric of estrangement in a strange world.
