It is electronic, yet has a warm analog feel as a digital recording, which is unique. Some of the material reminds me of the Urban Cowboy Sountrack, like "You're The Reason" and "More Than Ever Tonight". This album is more Suburban than Urban however." 01 THE COUNTRYSIDE (1985) THERE'S AN OLD MAN AND HE'S WATCHING CARS GO BY NO BETTER WAY TO SPEND HIS DAY OR PASS HIS TIME HE'S WATCHING DAYS BECOME YEARS AND
