Through the Shamans Door is the best of Damaris first three albums. The round songs, chants, and full-band arrangements tell a story of personal empowerment with her perfect harmonies, vocal clarity and power. Words take you straight into your heart 12 MP3 Songs NEW AGE: Healing, EASY LISTENING: Adult contemporary Show all album songs: Through The Shaman's Door Songs Details: Damaris Drewry has amazing vocal clarity, and power - Her words take you straight to the depths of your own heart and soul, reminding you who you are! Inspired by her own process of spiritual emergence, her round songs, chants and full-band arrangements are uplifting and bold. This song collection contains the most popularly requested songs from Damaris' first three albums (which were distributed by New leaf and Ladyslipper). If you are going through a passage of personal empowerment and transition from one chapter in life to another, you will find her music inspires you to have the courage to face difficult obstacles; and then celebrates the joy of leaving them behind you! Earth Water, Fire and Air; This Moment is a Gift; and Joy is our Natural State are round songs. Birth of a Shaman, Life Goes On, and The Desert Wind are acapella, crystal clear, and powerful enough to make your hair stand on end! You will also hear African and Native American percussion. Damaris weaves rich harmonies (with perfect pitch) in most of her songs, and her musicianship is impeccable. Full band arrangements are heard in Let Go, Sing Me Home, Voyage of the Heart, and Face the Mirror. People JOG to these songs because they are so upbeat! "Sing Me Home" is a signature song about the incredible gift we give when we allow a loved one to pass on without hanging on to them with grief and sorrow. What she says about herself: "my whole life is about singing, and reclaiming the power of speaking and living from the Heart. Everything I do in music and healing is about LOVE IN MOTION - I was born to sing messages that inspire people to make conscious choices, and now is my time." Damaris has recorded with Soundings of the Planet, and

offers full-band showcase concerts as well as solo performances in coffeehouses and New Thought churches. In addition to being a singer/musician and performer, Damaris is a Sound Healer and Transformational Psychologist (Ph.D. Psychology). For information on private sessions over the phone, Sound and Vibrational Healing workshops, and Shamanic Healing, see her website.
