

Mp3 Ge Orr - Tape

[DOWNLOAD HERE](#)

Traditions nudged just a little off center -- songs in a new language that you already know. 11 MP3 Songs in this album (46:23) ! Related styles: POP: Quirky, JAZZ: Jazz-Pop Details: TAPE is a collection of songs about Love, Politics and Memory.and where they run together. Twenty-five superb Michigan musicians joined Orr to bring the songs to life. Their heart and talent shine through all the tunes, creating music that draws from many genres without surrendering to them. Listen and you will agree, I think, that the synergy of this collaboration delivers something new, yet eminently familiar and accessible. Something for any mood.songs that will offer fresh inspiration even after many listens.
