There have been so many comparisons (sonic youth meets Simon and Garfunkel) but there are no set rules or set sounds, it's just the way we are and what we come up with. 2 MP3 Songs POP: Folky Pop, ROCK: Funk Rock Details: Managed by Jen Anderson of DF Concerts and King Tuts Recordings, Grace Emilys have won a growing reputation on the thriving Dundee music scene, sounding unlike any other band in the area and received praise for pushing boundaries with their ambitious musical palette and beautifully crafted songs. The band, consisting of Neal Monaghan (Vocals Guitar), Sean Kennedy (Vocals Guitar), Andrew Kennedy (Bass Vocals) and Euan Wright (Drums) call themselves a pop band, with their own brand of art-pop crossing musical boundaries and styles often within the space of a single song. The strength of Grace Emilys songwriting has led to Euphonios releasing their debut single as a double A side purely because the band felt as though they had two singles ready, and thought that neither should be relegated to a B side. The two songs demonstrate the diversity in the bands songs. The band have been selected to play NXNE and have also played BMIs best bands for 2008 and Club NMEs. People who are interested in Simon Garfunkel Fleetwood Mac Sonic Youth should consider this download.
