Heavy, melodic, grindy modern rock and alt metal for those who dig Disturbed Godsmack, and SevenDust 10 MP3 Songs ROCK: Modern Rock, METAL: Alternative Metal Details: Propelled by the velocity of their music, in an incredibly short period of time, i has made a remarkable impact upon music listeners and industry professionals. Including Rock 101, WGIR-FM, in Manchester, NH. Rock 101 has added the song Drive to regular rotation. Their debut CD is a compilation of intense songs with insightful lyrics and intoxicating grooves. The bands dynamic and powerful live shows are an explosion of energy. According to one fan "I feel like I got shot between the eyes. Just amazing energy on stage." The CD was produced by Anthony J. Resta, whose credits include: Duran Duran, Collective Soul, Megadeth, Shawn Mullins, Nuno Bettencourt, Full Devil Jacket, etc. Anthony Resta proclaimed, "this project is truly some of the best heavy stuff I've worked on." In addition, saying "I love working with Chamberland and respect his musical opinions because he has a clear vision about what he wants to hear and is truly gifted. He's a musical wiz kid!" i was recently chosen by David Draiman and Dan Donegan of Disturbed from "an enormous amount of submissions" to open the Boston show for the Music As A Weapon II Tour. iDrops Video Production has requested to license the use of i's song Drive as the open for its upcoming DVD to be used in conjunction w/ Boston's WAAF Sponsored Locobazooka. Said Jack Marchetti, iDrops president, "this is the best band they've heard in a long time...the CD blew me away." A Boston Radio Station local music director proclaimed "this is the best, most unique sound I've heard in the area since Godsmack's indie release." According to record labels that have contacted i's management the program director at a prominent New England radio station, is "freaking about this band." A DJ from another station, asked "how do you pick a single...they are all singles." Watch for this band to break out of Boston to a national level soon.
