Related styles: COUNTRY: Western, COUNTRY: Bakersfield Sound People who are interested in Alan Jackson Merle Haggard Don Williams should consider this download. Details: Howdy Folks. Im Just John Im born and raised in the south of the Netherlands, but I live in Belgium for the last seven years, in a small town called Maaseik. Im a big country fan since I was young, but as a performer I started six years ago as a one man band. I play my songs in Western Saloons and other locations in Europe. In the beginning my music was inspired by the older guys like: Jim Reeves, Don Williams, Kenny Rogers, Merle Haggard, Johnny Cash, Willy Nelson a.o. Later on I also started to love the music from the newer generation like: Garth Brooks, Alan Jackson (my personal favourite) Travis Tritt, Dwight Yoakam, Randy Travis, Toby Keith etc. People tell me I sound a lot like Don Williams. If you like that, you'll like my voice as well. Listen for yourself and enjoy my first album.
