Exquisite waltzes of many moods -- soaring, dark, exuberant, introspective -- for dancing or listening. 15 MP3 Songs in this album (63:40) ! Related styles: FOLK: Contra Dance, EASY LISTENING: Ballroom People who are interested in Bare Necessities Nightingale should consider this download. Details: This KGB is not a spy organization, but a band from Seattle that plays for New England style contradance, English Country Dance, couple dance evenings, for concerts, and private functions such as wedding receptions. We write a lot of our own music, and the rest comes from all over the world: the British Isles, French Canada, the Northeastern USA, Western and Eastern Europe, South America, the rest of the USA, and places we haven't yet identified.
