

# Mp3 Kokila - Enchanted Dreams

[DOWNLOAD HERE](#)

Kokila's mystical music takes you on a dream journey to powerful inner spaces; likened to listening to beautiful evocative movie soundtracks. 19 MP3 Songs NEW AGE: New Age, CLASSICAL: Traditional  
Details: "Kokila is an astounding musician and composer.....Enchanted Dreams is the most beautiful and angelic music that I have heard in a long time Pure beauty emanates.....You feel the Angels surrounding these compositions. A definite must!" ----Creation's Magazine music review. Kokila is an artist whose compositions inspire a deep sense of peace in the listener. She unfolds a variety of compositions and sweeping melodic arpeggios. As you listen to this music you can easily imagine the peace and beauty of nature and the ancient musical tradition of the British Isles. These are the kind of melodies that stay with you and uplift you for a long time. The subtle, gentle exquisite musical combination of tones and magical ambience this music evokes will leave you feeling always renewed. You can get tired of some melodies, but these will always feel new and uplifting to you, the listener. If you love legends, magic, fairytales and romance and beauty listen to this music! You can learn more about Kokila by going to her website: Avalon-Isle-music to find out upcoming new recordings, concert dates and interesting new creative things she is doing alongside her magical music!
