I can hardly breath when I think about what your doing to me, and the sacrifice to everything you sacrificed nothing. No man's land. Withered I am and withered I go, willow of Yore, clouds of gray but no rain. Desert sea no green, no love and no affection, in

love with a mean mean man, Oh I do what I can. I'm in no man's land. So Alone Oh deathless soul, soul retrieval, found my soul wondering, in a thicket of weeds and thorns. So alone. I asked her her name, she replied the same the same, I have no name. I took her hand and looked in her eyes, oh are why are you so alone. Don't let a man steal your soul, to walk along the broken shore, don't let them put you down, and when they do just smile and go. They will all know, they can't break you, they can't understand why, so they'll be the ones who come back again and again and again, so alone. To wield the chains that could not hold the girl with a golden soul. Cruel God Life is never, what you wanted it to be. All the loves I ever loved, don't belong to me and it's a cruel cruel joke that god has played on me. But as you can hear from this song, I'm not laughing. Cruel god, cruel...must be a cruel god, cruel, I feel so unreal...and the pain of life, to watch it all just die. 80 years or so then we all must go, and if there is an angel watching above me, you could surley see that I need somebody true, it's a cruel god so cruel. Must be a cruel god, so cruel. Your there and I am here and I still can't have you. Oh it's a cruel world, to see you, to love you and not have YOU. Love under will I never want to see you again, cuz we have nothing in common cuz for me your the one, but for you it's just a smoking gun. Love under will. Oh I'm so wasted and hurt when you bring your head down low, cuz you know that your abusive, cuz you don't want to let me go. Love under will. So sadistic, so masochistic and it brings you pleasure to see me in your hell. Wasted little baby, I know your dirty little secret, oh cuz it's out in the open, oh so sadistic. Love under will, love under will, love under will. Pull me through I gotta say it's hard, to watch you do all of this, things that I don't want you to do, I want you to love me only, will you pull me through. I gotta say that I don't believe it, when you tell me you love me, I have seen so many things, but you pull me through it, you pull me through, I don't know why I don't know, I can't cry but I tell you, that I will always be with you and never will I let you go, I can't see but I feel you here with me. Here with me. You pull me through, never did I offer you, any advise you just give it to me all of the time, you pull me through, you pull me through it. You pull me through it, you pull me through, you pull me through it. No I don't There trying to kill me, I can feel it, told him I loved him, then he had a girl over and she sat next to him and he looked at me, knowingly. I said your trying to kill me, he said no I don't want to, but you did. You, so cruel, don't ever leave me I won't survive. Maybe someone in the world, will listen to this song and they feel, like it's not so bad for them. Let me be the one who reminds you. Don't go, cuz I won't survive. Believer If I was a believer I wouldn't need you, but maybe I'm so sick of being the one who, doesn't need you, doesn't need you. Cuz I do, I need you to

believe in me, I know it's not going to be unless I believe it when i see it, I'll see when I believe it and I need you, cuz I need you. You say I don't believe, you said it's so dangerous not to and I say I've spent all my life trying, but I'm still falling. Got to believe to see it, I have to see it to believe it and that's why I need you. I really do need you, I need you, I need you to believe, cuz maybe I need you to believe in me. keep trying Oh the miracle of love is a dream it comes around once in a life time it seems and you'll be lucky if you see it, so happy, but then you just got to believe it, so keep doing what your doing. Just keep what your doing to me. The dream of love is so fragile, one cut can make a canyon so deep, one broken word will bring an ocean of shame, but I won't do anything to hurt you. So just keep doing what your doing, just keep doing what your doing to me. I love your heart, I'm not going to tear it all apart. True love for a life time to give you everything, you know I want you, I'm just so good at running, oh I'm cunning and I'm so wiley, but don't you ever stop trying, just keep doing what your doing, just keep doing what your doing to me. I give you all of my seashells, cuz I have nothing left to offer, I am not tired, oh babe I'm just so awful.
