Contemporary Blues with female power vocals and guitar oriented originals. 8 MP3 Songs BLUES: Guitar Blues, BLUES: Rockin' Blues Details: The band plays original material that is rooted in Blues but also stretch out into a variety of sounds and grooves associated with Funk, Rock, Jazz, and Latin. No doubt the group likes to keep the sound diverse and interesting. The band members learned their trade in years of performing with different bands and session musicians in the United States and Europe. At the heart of the band is its solid rhythm section with Jamie Dalton (drums) and Mark Sobus (bass). These two combined lay down the foundation for the extraordinary guitar work of Jake Dreier and the soulful vocals and lyrics of Juliette Michaelae. The "icing" on the cake is delivered by Steve Lindeman's tasteful organ piano chops. "Music has to move your body and soul". "The essence of your sound needs to come from your heart". -- Jake Dreier (Guitar/Vocals) Influential guitar players in Jake's life: Michael van Merwyk, Ronnie Earl, Rick Welter.
