

## Mp3 Mike Moran - Where Were You?

[DOWNLOAD HERE](#)

Acoustic full blown pop, with creative uplifting songwriting and an original voice that gives Mike's first album one to check out now and a name to follow for years to come. 12 MP3 Songs ROCK: Acoustic, POP: Folky Pop Details: Some fall in love a little later in life, but at least they fall in love and although Mike Moran's music career didn't start until the age of 19 he has created a buzz that takes years and years to create. Now 24 he has opened for regional acts such as Domestic Problems and Bump, to the biggest names in the industry such as Bob Dylan and Willie Nelson. Not bad for a late bloomer and with his free music access from his website and over 13,000 free cds distributed through out the state of Michigan it's only a matter of time for Mike's voice to become a household name. His first CD "Where Were You?" is a stepping stone for this young songwriter who can be seen all over the states of Michigan and Indiana, and will be a consistent face on the Chicago, Cincinnati, and Cleveland scenes starting in the Fall of 2004. Check out the CD that won Mike the "Best New Artist Award of 2004" in Northern Michigans weekly entertainer the Northern Express. Also check out his website mikemoranmusicand download some free samples.
