The vocals on this record were powered by Monster Energy Drink. monsterenergy.com All electric guitars used on this recording were Jay Turser jayturserguitars.com GREAT STUFF!" - Lee Joseph, Dionysus Records. Monogroove has been featured on the Local Licks radio program hosted by Terry Gladstone on station KLOS and been selected by Music Connection magazine as one of The Hot 100 Unsigned Artists. Their songs Wonder Who She Is and In My Mind seem to have definite commercial appeal -Bob Leggett---Music Connection Magazine livemagazine" ..."Grace is a charismatic, take charge lead singer; a diminutive but ear and eye catching centerpiece, unafraid to move or throw her high and mighty voice to all corners of the room"-Scott Benarde, Ft.Lauderdale News/Sun Sentinel. Monogroove creates hard-charging rock with truckloads of vocal harmony." "Serving as proof that a band can play aggressively and still retain sugary harmonies ... Theyre capable of producing scorching numbers whose melodies never get lost in the shuffle. And, if one can get past the fact that these guys and gals dont play too rigidly along categorical lines, then Monogroove has some serious chops to dig into." Albert Vega, Music Connection "Feel Good Band" Lennon was a tough no holds barred guitarist,who played as if her life depended on it, creating such heavy grooves you could hardly sit still" Bernard Baur, M.C. Magazine. "This group also make good use of dual lead vocals" Bob LeggettM.C. Mag.
