END FLASH now on to Planet E FLASH MAY 15 2005 mp3tunesnow has 9 song off this cd on their top 500 charts listing under rock/extended jams.....check it out END FLASH having formed the hub of this great band in the later part of 1988, Mr.E(songwriter) the totally obscure band has put out 6 cd's to date Being under the promotional auspices of Nashville North Productions, This new cd celebrates Planet Earth with multiple talented guest artists doing their things on various songs thru out the project. Big Bruce Shepard starting the whole thing off with his great guitar work on "My Love For You" (intro), and it's reprise (outro),his guitar playing has been compared to the late great George Harrison. Also appearing on this cd is talented player and performer Tony Martino who's playing has been compared to the great Hendrix and Clapton on "Christmas Song" , "Freedom Song" , and "Humility" , the harmonica of Juke Joint Johnny Winkler on the earthy "Cajun Women" , and the totally obscure band's studio skilled and musically talented Gregg Christiansen , playing on every song For 24 hours on Tuesday, the 28th of December, 2004 (PST) "christmas song" will be featured on GarageBand.com's Folk Rock front page. also the christmas song has received the following Awards! Best Lyrics in Folk Rock, week of 20Dec2004 Feel Good Track in Folk Rock, week of 20Dec2004 A little off the radar, the Potter Music Fest in Potter Park (Rt. 364, Potter, NY) will feature music from Mr. E., Kate Wright, Buford Company, Crosseyed Cat, Lisa Bigwood and more on Sunday, August 29th 2004 (noon-7pm). Speaking of Mr. E., a congratulations goes out to the area songwriter who just received his second consecutive ASCAP Plus Award for the 2004/2005 period for domestic writers...Freetime magazine/Michelle Picardo /words and music It's just been reported that Mr.E (songwriter) the totally obscure band's smash hit "ever been lonely" has just made it on to the top 100 charts at mp3songs.org.uk week of june 22 2004, clocking in at 75 and rising... More new local releases on the horizon for 2004 include from the enigmatic Mr.E(songwriter), whose forthcoming CD, Planet E, is due out in February. We had a listen to the first song, "Planet Earth," an endearing, low-fi reflection on appreciating what we have.

The song "planet earth" was inspired from the book "the Bible"/genesis Also, congratulations to Mr. E., who was presented with a National Leadership Award this past summer by Tom Delay for his song, "Elohim" ...Michelle Picardo/words and music/freetime magazine upstate n.y.(the song is a hymn of entreaty which was written for the national day of prayer it seems to herald the Messianic age. I sent it to the White House after being inspired by a speech by President George W. Bush on the importance of the response from the faithful on the national day of prayer. the bands been around 20 years at least . all original music , over 200 songs ready to go. The song Henry Lowry,co-written by Gregg Christiansen , shows the bands versatility in a great way. Mr.E (songwriter) and the "totally obscure" band has been featured twice on garageband.com, where artists from around the world review your music. With good reviews you climb the charts. #1)."ever been lonely?" on the blues front page "track of the day" friday august 1 2003,and #2)."truck driver song" on the country front page the "track of the day" sunday august 3rd 2003 Mr.E(songwriter)also is the recipient of an a.s.c.a.p. popular award 2003/2004 Mr.E(songwriter) and the "totally obscure" band's "mourn for the city" and "rap city n blue" was incorporated into the national coalition of the homeless educational and awareness policy which as presented to the 108th congress in wash. d.c. "And speaking of our troops, local songwriter Mr.E was recently recognized for his moving song, "Winds of War," which was chosen to be on a CD/book compilation for the "New Songs For Peace" project sponsored by U.N.E.S.C.O., a division of the United Nations.
