

## Mp3 No Such Luck - Still Life

[DOWNLOAD HERE](#)

Deep in the sparsely populated wasteland between Tool and Radiohead lies No Such Luck.

Rock/punk/eclectic/ linked together form moods that range from hard to atmospheric to mellow to chaos.

5 MP3 Songs ROCK: Hard Rock, ROCK: Grunge Details: No Such Luck is the bastard brain child of Michael Ryon. 'Still Life' is the debut EP containing 5 songs that mix Rock/punk/eclectic/ to form moods that range from hard to atmospheric to mellow to chaos. The songs 'Still Life', 'Ghost' 'Psychotherapy' feature Axel Clarke on drums and percussion while all guitars/vocals/keyboards and extra percussion programming are handled by Michael Ryon. Same goes for the production and engineering. No Such Luck is an attempt to weave together the multiple myriad of my influences into one cohesive package. Some of those influences are Pixies/Frank Black, Tool, Radiohead, Sparklehorse, NIN, STP, QOTSA, Black Sabbath, Pink Floyd, list goes on forever... must stop...
