Organic Rock from the Heartland - pure original rock music. 14 MP3 Songs ROCK: Modern Rock, ROCK: Roots Rock Details: John met Chad through a fat guy. They wrote songs for awhile. John and Chad met Joe through a dental hygienist's husband who played bass with John and Chad. Joe had a recording studio (Sound Crack). John and Chad tried to record some songs there, they sucked. Joe said, "Hey, let me work with you...I also know a couple of other dudes.". Jim and Joe (another Joe) started to work with John, Chad and Joe. It was good and bad. Then it got better. They became a band. They named the band Pasty White for no apparent reason. Pasty White released a CD. They are working on a second one. Together since 1998, Pasty White recently released their debut, self-titled, CD. The band performs at most major music venues in the Minneapolis and St. Paul, Minnesota area and have been chosen in the past to perform at various festivals, including; 2002 - A Festival of the Heart and Soul where they shared the spotlight with national acts War and Joan Jett and the Blackhearts; The Rolling River Music Festival in St. Paul in 2002; The Midpoint Music Festival in Cincinnati, OH, in 2003 and 2004 and NEWPALOOZA '05 in Black River Falls, WI.
