REID National recording artist, author, composer, radio personality and minister of the gospel born and raised in San Diego, CA Her ministry can be seen on various local and national television, satellite and heard in many radio programs in the United States and around the world. Rachel has also authored "Follow Your Dreams", teaching curriculum and manuals, several music CD projects, is the founder of Foundation 61, Inc. a non-profit organization dedicated and focused on bringing purpose, destination and hope to the youth and people of America. She is also the co-founder of S.O.L.D.I.E.R.S, a faith-based military program for boys She loves the TRUE LOVE STORY of the Christmas season and celebrates it with the sounds of the holiday songs in this new album "There was My King." This was a very special project for her because the message of a special birthday a long long time ago in a manger became a significant part of why she sings and of who she is today. All the songs are done with a very jazzy yet very soulful feel. Truly this is a CD that will captivate all who hear it to celebrate Christmas and will cause all to bring in the holiday spirit. Rachel has a dynamic testimony of how she overcame a near death experience and the painful struggles of raising a disabled child, but now WALKING in the victory of God's amazing grace. She attributes her sensitivity to the Spirit of God and readiness for the gospel to more than 20 years of ministry. Hundreds have been saved, healed and delivered. "This is a new season and I know that it's time to take the music and message that God has given to me to another level and see more souls come to Jesus Christ." It is evident that her only desire is to draw people to Jesus Christ. As she speaks at colleges, and schools one of her goals is to inspire, reach, and teach children and youth

to live for Jesus. Rachel's travels have taken her across the country to various different conferences, meetings, and events presenting the gospel through music, teaching, and by prophetic word. Other Projects: "Fuego Abrazador", "Liberty" "Follow Your Dreams" Rachel Reid and Power of Music believes that one can be free by the power of God, through the power of music, and "Fuego Abrazador 2004" will saturate every soul with the fire of God and inspiration to dance, praise, and sing of His goodness. Embracing Fire is the theme of her new album. Truly this will be a fire that will ignite every soul. This is an album like you have never heard before. "Liberty 2003" features songs that captivate every heart bringing freedom and deliverance to all who hear it. "Follow Your Dreams 2003" is a journey to a place where many desire to go but stop short of reaching. You can reach your destination and walk in your season of Destiny. Every page is an uplifting trip through the life of Joseph the "Dreamer" and also of the life of the author. Once you have read this book, you will never be the same again. If you know someone that just needs that little encouragement to pursue their dreams or perhaps this may be you, don't wait. Start on your way to Follow your dreams and Let them take you higher!
