A new age-classical blend style of music that moves the spirit to pure enjoyment of the "Word". 12 MP3 Songs CLASSICAL: Orchestral, EASY LISTENING: Mood Music Details: CONSCIOUS PEACE came about just after the release of my first CD, ALIENTAME, in 2002. The creative juices were flowing. The music evolved to a deeper and more developed level with greater use of orchestra and choral. Patty Haulley agreed once again to be the lead voice to which she did a marvelous job on the powerful songs of Prayer for America, Justice and the Morning Prayer in particular. This CD being all in English. Trying to create a new age but classical base style of music using the Word of God has become a joy, unifying force and source of positive energy to share with others the power and positive feeling of the "Word". In today's troubled world, to find our unity in our diversity is a great bounty and I am thankful to be able to use the power of the arts to assist. Please enjoy CONSCIOUS PEACE and let your spirit soar.
