

Mp3 Tony Sims - One Breath

[DOWNLOAD HERE](#)

An impassioned collection of beautiful, instrumental pieces for acoustic and classical guitars, accented with orchestral instruments and synthesizer. 21 MP3 Songs NEW AGE: New Age, ROCK: Acoustic

Details: This second CD from the artist revolves around the concept of life and death. The songs First Breath (Tunnel of Life) and Last Breath (Tunnel of Light) represent a regression to birth and an ascension to Heaven. The other pieces represent various aspects of the human drama and are described in the CD liner notes. Below are a couple of samples. Weeping Beauty As the teardrops hit my shoulder I wish that I had words to suffice, although I must admit that she is beautiful when she weeps. One Breath Looking at old photos of loved ones that have gone on before us is a sobering reminder that we are all only one breath away from eternity. The Players Tony Sims - Acoustic steel string and classical guitars, electric guitars, guitar synthesizer, keyboards, congas, cymbals, kick drum and vocal. Randy Miller - bass, drums (tracks 8 and 14) and keyboards. Louis Broussard - drums. E J Jones - bagpipe and flute. All songs composed by Tony Sims. Produced by Tony Sims and Randy Miller. Engineered, mixed and mastered by Randy Miller. Recorded in September, November and December 2002 at Houston Sound Studio in Houston, Texas. Photography by Carolyn Miller. Layout design by Chris Weigand. For additional information E-mail Tony Sims at achingmensfeet@cs.com. Copyright 2002 by Tony Sims, all rights reserved.
