

## Mp3 Utenzil - Dog's Dinner

[DOWNLOAD HERE](#)

This is broad spectrum electronic music with the potential to induce bliss, or, alternately, rip your face off. Jamcore, rantcore, jazzcore, pseudospeak, ambihorror, breakbeats and more. This is a warning: It is made to be played as loud as you can. 10 MP3 Songs ELECTRONIC: Experimental, ELECTRONIC: Industrial Details: This is the third Utenzil CD. If you like what you hear and don't have a lot of cash, browse a bit in the \$5 CDs-- that way you can buy all three Utenzil CDs for \$15. The CD offers different styles, a series of experiments trapped in polycarbonate amber... live in concert, live in studio (minimal/no post production), and studio cuts, different moods, different electronic sub-genres, because life is a Dog's Dinner of experiences. Notes on some of the tracks: unterzee-- ambient, notes played using a midi-mapped P5 glove, sent to several different software instruments. guitron-ikon-1-- improvised airy melody line using the double-necked MIDI Guitron over a shifting percussive/bass background they're not-- shrill Guitron over breakneck drums and vocal rant, recorded on videocam synth-tana-- 20 minute marathon guitar over shifting latin-style electronic percussion and backing rhythm acetane\_rain-- chilling ambient horror
