Pin To WP Plugin PERSONAL USE ONLY! BRAND NEW! The Brand New PinToWp Plugin Adds Pins From Pinterest Boards To Your Wordpress Blog, On Complete Autopilot! - Make Posts From Pinterest USER RSS Feeds! - Make Posts From Specific Pinterest BOARD RSS Feeds! You Didnt Know Pinterest Even Had RSS Feeds? Well they do! This is how you find them... View a USER RSS feed by going to the users Pinterest URL, and adding /feed.rss to the end of the link. Like this example: (my username is

wsos) pinterest.com/wsos/feed.rss View a specific BOARD feed by going to the board URL, replace the final / with .rss Like this example: (my board name is wordpress-wsos)

pinterest.com/wsos/wordpress-wsos.rss Pretty cool eh? (This is all BUILT in to the PinToWp plugin!)

Easy To Use! For Newbie And Pro Pinners Alike... You can add unlimited USER feeds, AND unlimited BOARD feeds! All you need to know is the Pinterest username and Pinterest board name(as shown above) - enter the # of posts to make each time, how often to make them, and save! You can syndicate your own Pinterest RSS feeds, or even the feeds of others! Our plugin does NOT interact with Pinterest and you do not need to provide your login details. Now you never have to touch it again! It will check for new Pinterest entries on your USER/BOARD feeds, and post them to your blog as new posts according to the settings you define. You can even select which Category on your blog you want these Pins added to! If you do not select a specific Category, posts will be added to the blogs default category. PLUGIN COMES WITH A PDF USER GUIDE AND PERSONAL USE RIGHTS ONLY!!!
