Here's how you - or anyone - can leverage on the internet's 4th most trafficked website to boost your popularity & publicity for business... via video marketing! With the emergence of web video popularity, you cannot afford to miss out on this exponentially growing trend - because it could make or break your popularity & business growth! Unless you've been living under the rock, I bet you've heard and been to YouTube before. And what's up with all the Top Internet Marketing gurus preaching about the importance of using videos as an additional arsenal to your array of marketing weapons? It's all because of one

emerging trend that has been taking place on the net in recent couple of years. It is called: VIDEO MARKETING. So if you're quite accustomed to writing online to promote yourself and/or your business, you're probably wondering, "why should I use videos - and hey, why YouTube??" Here's why:- Why Use YouTube At this time of writing, YouTube is ranked no. 4 in Alexa ranking. What this means to you is that, YouTube is receiving millions upon millions of visitors - from all walks of life and around the planet - each day. Every hour. Every minute. Even every second. YouTube has been responsible for transforming ordinary individuals into Internet celebrities... and mediocre small businesses into mega profit-rakers! The popularity of videos are constantly growing each day. This is partially owed to faster Internet connections now being made more and more easily available in most countries. It's only a matter of time when most people in the world will finally experience fast Internet connections and are inclined to favor watching videos - online! "UNLIMITED Opportunity, Don't You Think?" But there's a problem. In order to achieve results from Video Marketing via YouTube.com, your video(s) must possess the following qualities:- Interesting to view - if your videos are boring, there's no reason for your viewers to continue watching. Remember: they're one click away from closing the browser! Viral property - it must be newsworthy so that your viewers will tell others, who then in turn tell others, about your video. Thus allowing you to leverage on the best form of advertising i.e. word of mouth! And more!
