"Who Else Wants To View Thousands Of TV Stations, Radio Stations And Videos From Hundreds Of Countries, In Many Different Languages All With The Click Of A Button?" Introducing.... WANT TO TRY IT OUT FOR FREE? (enter your subscription form here) JayKay Wouldn't offer a free trial - see my warning above Television over the internet is getting more advanced every day. You can now view your favorite TV stations online, and discover the thousands of stations that are only available over the internet. There are also thousands of free radio and video stations just waiting for you to listen or watch. Here are a few of the benefits of getting World Wide Web TV Unleashed today: Thousands Of Free Web Television Stations! - You get the best online television stations at your disposal, 24 hours a day! Thousands of free radio stations! - Thousands of uninterrupted radio stations from all around the world! Hundreds of free movies and videos - Browse online to get movies and videos to view, save, and share with family and friends. Many children's videos - This is an up and coming online craze for kids, and its alot better then having them find stuff on their own (for us paranoid parents!) due to the ease of access to online predators! Watch content from YouTube - YouTube is the number one video site on the planet with tens of thousands of videos being uploaded daily. Find cool videos and save them to your own files for later review! Sort by language or category - You can sort your videos, radio stations or TV stations by language or category. A pretty cool thing to see how other countries develop and host their Television Programming! Play your own videos and music from your hard drive - This little innovation lets you centralize most of your media facilities for easier viewing as well as faster control! User Friendly Interface Allows For Quicker Content Connections: And here are some new transactional processes that all Internet Marketers should be using and receiving when they do business online anymore: Guaranteed Protection Of Your Personal Use Copy - We have incorporated a 'key' generating system that gives you a 'unique' key, and the great part is, we monitor it against theft or misuse! And you only have to enter it once! Secure Payments Through PayPal - PayPal is the leading online banking system and has top notch security so there is no worry about getting taken to the bank, no pun intended! Professional Software Set Up - With our software installation wizard on hand to lead you through the easy set up (see screen shots

below to see full process illustrated), you will have no problem setting this up in seconds! You Will Be Hard Pressed To Find A Product As Professional All The Way Around As World Wide Web TV UNLEASHED! No More internet TV hassles! No More browsing for hours! No More boring hours at the office! No More Pay Per View! No More unfunctioning, malfunctioning software applications! No More Internet Marketing JUNK! There Are So Many Cool Features, Half The Fun Is Playing With It! As I mentioned above, this is probably going to be the easiest install you have come across with any product online. Very similar to the professional installation wizards used with all MicroSoft Software, The steps are illustrated below: STEP ONE: approximately 1 second STEP TWO: approximately 1 second STEP THREE: approximately 3 seconds (Bar you read the entire agreement, and we strongly suggest that you do so that you will get the full sprectrum of the legal agreements herien) STEP FOUR: approximately 2 seconds STEP FIVE: approximately 1 second STEP 6: approximately 20-30 seconds depending on your computer STEP SEVEN: approximately 1 second STEP EIGHT: approximately 1 second And That's It! You can start watching your TV on your computer right away with no hassles! And if you pick up the resellers kit, you know it wont be but a few minutes out of your day that it will take you to upload your sales page and start making extreme profit almost immediately! No one else is selling a package like this and you will be reaching a hungry audience ready to start watching TV on their computer today! (enter your subscription form here) LOCKDOWN PROTECTED SOFTWARE FOR YOUR PROTECTION! LOCKDOWN Software Protection System The LOCKDOWN system allows you US do the following: Require a registration code before the full version of your software can be activated Automatically generate a unique registration code for each software license you sell Restrict each license to use on only one computer Remotely disable individual licenses in the event of illegal distribution attempts Revoke the privilege to run your software if someone asks for a refund View detailed statistics on unauthorized usage attempts Automatically collect identifying information about each user Completely automate the payment, registration and download process Integrate the system SEAMLESSLY into your existing payment processor So, when a user registers, what is the process? When set up correctly, the LOCKDOWN system should resemble this: The user clicks your purchase button They are brought to your payment page They pay They are redirected to your special LOCKDOWN URL They receive their registration information immediately, and are also sent an email receipt Lockdown redirects to our full version download URL The user downloads the software. The user enters their registration information

Everything is completely automated! Tags: mrr, tv, web
