While I know that writing reviews on hot, in-demand products is one of the best ways to make money as an affiliate, I also know how hard it is to write up a professional review! Good news is that I have done all the hard work for you! Here are the features of each review article of my PLR pack:

1. Each article is thoroughly-researched from MULTIPLE sources, so that you won't find any of the typical "sloppy" review articles in my pack!
2. Each review article is about 300-600 words in length; in fact some of the review articles contain even more than 600 words!
3. A successful product review is one that looks credible. That is why, each review article contains a detailed profile of the product reviewed, such as- a) Name of the product b) Name of the product author c) Salient features of the product d) Pros and cons of the product e) Conclusion
4. Each article contains the product's hoplink at the very top, so all you need to do is to replace the special "AFFNAME" tag with your own Clickbank nickname. Dont worry, I explain how to do it all at the download page. ;-)
- As you can see, I have made the articles very easy to customize. Thus, instead of wasting time in hunting for each individual product's affiliate link, you can spend that time in making money! :D
5. Most of the products reviewed are quite popular under the "Dating" category of the Clickbank marketplace! Thus, there is no worrying about throwing money down the drain by promoting a dumb, low-converting product! ;-)
6. Lastly, even though these articles are meant to be used as product review articles, you can use them in many other ways, such as creating an ebook out of them, using them as part of your newsletter content or autoresponder ecourse, submitting them to article directories, using them as blog content, etc. Be creative, but please be sure to read the plr terms too! ;-)
