Stop affiliate marketing the hard way! At Last! You Can Affiliate Market Seamlessly Without Irritating Visitors to Your Sites! With the Affiliate Marketers Toolkit, YOU Can Increase Click Rates by as Much as 900! From: Your Name Here Friday 10:14 AM Dear Friend, Lets face it, affiliate marketing sounds easy, but its actually pretty tough! Theres no doubt, its probably the most difficult thing for any site owner to master. Frankly, affiliate marketing is the only thing about site-building you cant fake either the clicks are there, or theyre not. And when theyre not the checks are small. Of course, some people will tell you can do fine without using any special affiliate marketing tools. WRONG! Just ask them how much their last Google AdSense check was for, and watch them look down at the ground and mumble some lame excuse. And maybe youve tried other affiliate marketing tools, but found that you practically had to be a brain surgeon to figure it out. Sound at all familiar? But now theres good news! And the good news starts with my own personal bad news. I was like you, struggling to try to make money from affiliate marketing. I spent hundreds of dollars on all sorts of fancy tools to try to spiff up my site so that visitors would click on the links. And then I spent weeks upon weeks of my time trying to use those tools and none of it worked.

In desperation, I called my old roommate, who's a computer science whiz. I told him my requirements: I wanted to be able to cookie my site visitors without them knowing about it. This would let me give them direct links to the sites I recommend, which are much more likely to get clicked. And I wanted to get paid for those clicks. I wanted click-friendly links, not ugly ones. Who's going to click on something like: `somewebsite.url/go/a.php?a=12345&p=98765` ??? What I wanted was to turn THAT into THIS: `yourdomain.com/GreatDeal` And since most people use pop-blockers these days, I wanted un-blockable pop-ups. Preferably ones that use the visitor's e-mail client, so I can collect e-mail addresses. It took months, but my buddy finally delivered the goods. And WOW, did he ever! It wasn't just a program. It was the most AWESOME, purely powerful affiliate marketing tool I've ever seen everything I'd asked for and more! It was so good, I decided to sell it to others. So now you can share the awesome power of The Affiliate Marketers Toolkit. This incredible tool is actually 3 tools in one, and they're the quickest and easiest way to affiliate market. Inside this magnificent tool is absolutely everything you need to start increasing your click rate and raking in the big bucks! So just what are the 3 awesome tools you get? 1. Covert Cookie Technology Secretly cookies visitors without them knowing about it. Give them direct links to the programs YOU recommend. These programs are much more likely to get clicked. And YOU still get paid! 2. Link Cloaking Technology Creates click-friendly links. No more ugly links that look like alpha-numerical garbage! Increases click rates by as much as 900%. 3. Magic Pop-Up Creator Adds un-blockable pop-ups to your webpages. Not typical JavaScript pop-ups like everyone else has. Unique code opens the visitor's e-mail client. When the visitor clicks Send, you've captured their e-mail! Collects e-mail addresses even if you're marketing someone else's products as an affiliate! As you can see, The Affiliate Marketers Toolkit really is the ultimate affiliate Internet marketer's tool set. Just imagine being able to cookie visitors, get their e-mail addresses, and get them to click much more often without them getting annoyed and leaving! But Hey, Don't Take MY Word For It! Listen to What Other Affiliate Marketers Say About The Affiliate Marketers Toolkit: Your Customer's Name, of City, State says... This is incredible! I've gone from frustrated to flush with ad checks in just ten days! The Affiliate Marketers Toolkit is going to forever change the way people do affiliate marketing. It's such a great toolkit, I'm shocked you're selling it so cheap. Mucho thanks! This testimonial is for example purposes only. The Affiliate Marketers Toolkit is hands-down the best

This testimonial is for example purposes only please add your own customers testimonial and remove this line "Okay - So What's The Cost For This Incredible Resource?" Frankly, I'd like to offer The Affiliate Marketers Toolkit as part of a high-priced seminar where I charge at least \$1,000 per person. But then I'd have to go to all the trouble of arranging for a room and taking time out of my schedule and traveling and right now I'm way too busy to deal with all that. So for now, I've settled on this online download as a perfect and convenient way to sell this incredibly valuable toolkit. That's why the entire Affiliate Marketers Toolkit is only \$77. (Don't worry--downloading everything is a snap and it works for both PC and MAC users.) Needless to say, one of these days I'll get around to putting that seminar together. At that point, I'll offer The Affiliate Marketers Toolkit only as part of a \$1,000 marketing seminar, and this online offer will disappear. When will I do that? I can't make any promises. So if you want to get all the exclusive covert cookie technology, the link-cloaking generator, and the magic pop-up creator that are all part of The Affiliate Marketers Toolkit for the low price of only \$77, you need to ACT NOW!
