

China And The Legacy Of Deng Xiaoping - Michael E. Marti

[DOWNLOAD HERE](#)

China and the Legacy of Deng Xiaoping documents a turning point in the Chinese communist revolution that elevates Deng to a role equal to that of Mao. Dr. Marti explores post-Tiananmen domestic political wrangling and offers the first documentation of Deng's efforts to link all the major elements of society-the PLA, the Party, the revolutionary elders, and the regional governors-into a coalition whose survival depends on the success of his economic policies. Understanding this sense of commitment to China's long-term goals has significant implications for predicting the outcome of the current struggle between the hardliners and reformers. By providing a new interpretation of Chinese behavior, China and the Legacy of Deng Xiaoping adds to the current debate among policy makers and academicians over the future direction of Chinese policy. Author: Marti, Michael E. Publisher: Potomac Books Inc.
